EDUCATIONAL PHILOSOPHY

We Believe. . .

- 1. The family is the single most powerful influence on an individual.*
- 2. In exemplifying and expecting excellence in all we do.*
- 3. Everyone should have sufficient opportunity to learn and to work in a positive environment.*
- 4. All people are independent, dependent and interdependent.*
- 5. All people continually learn.*
- 6. High expectations yield higher results.*
- 7. Everyone should be treated with respect.*
- 8. Every individual has the obligation to perform responsibly, with integrity and to be accountable for the results.*
- 9. People have equal intrinsic worth.*
- 10. Pride is important in everything we do.*
- 11. In intellectual, emotional, and social development.*
- 12. That any human system, to be successful, must have the participation of those it intends to serve.*
